of Correction

Sir:

Upon review of the subject patent, Patentee's attorney discovered several typographical errors in the claims. It is believed that these errors are on the part of the Patent Office. Patentee's attorney requests correction of the issued patent as outlined below. A Form PTO 1050 Certificate of Correction is enclosed in duplicate.

Claim 5 originally stated the word "disables" in the patent application filing of November 13, 2003. (Column 24, line 16)

Claim 20 was amended in a Response to Office Action filed November 19, 2004. The amendment deleted the word "and" and added the word -- to --. (Column 26, line 18)

No fee is believed to be due with this paper, however, the Commissioner is authorized to charge any required fees or credit any overpayments to our Deposit Account No. 50-0310 (Order No. 60900-0208-US). A copy of this page is enclosed for such purpose.

Respectfully submitted,
